EXIT DEVICES AND EXIT ALARMS

INSTRUCTORS BIO

David is no stranger to the Nebraska Locksmith Association. He has taught for us 2 previous time and there will be more to come. David E Thielen,CML is the lockshop manager for Adams Twelve Five Star School District, Boomfield, Colorado. He has been a professional locksmith for more then 25 years. He has developed and instructed ACE certified classes for ALOA. Has received the ACE Instructor of the year Award 2 times.

This Class has been updated to include delayed exit devices that comply with NFPA101.

A wealth of information will be covered on exit devices including: types, functions, ratings, options, installations, repairs, and servicing. Hands-on practice as well as slides, videos and handouts will be provided. Students will be able to properly remove, service, Troubleshoot malfunctions and retrofit many of the popular exit devices.

Materials needed for this class: Common and Phillips Screwdrivers and an Allen wrench set.

When I spoke to ALOA about the products that they were sending, I was told that there was many boxes and they were heavy. That means that there will be lots of hands on.

Make checks Payable to NLA & send to : Elmer Howard, 3101 So. 121 St., Omaha, NE 68144 or call 402-676-8973 and inform me how many are coming.
