Nebraska Chapter Of ALOA Meeting Minutes

The Nebraska Chapter of ALOA was called to order by President Bernard Dobesh on July 23, 2005 at 8:24 A.M. at the White House Inn at Norfolk, NE.

The minutes were read and approved as read.

The Treasurer report was given by Treasurer Chuck Smallcomb. We have a balance of \$1,932.77 as of July 23, 2005. Report was read and approved as read.

Nebraska Chapter of ALOA will be sponsoring the next class on car opening.

President Bernard Dobesh reported on the ALOA Convention Promotional Award. Mark Voigt expressed the opinion, that many others had about the bidding on the award, where the one with the most money takes the prize. It was discussed and Elmer Howard made a motion that the award be given away. Anyone that wants to have a chance on winning the award would fill out the application that will be in the newsletter and turned in to the President and then the names would be drawn from the box and first one out has first chance on the award. If he is not going to use it then it gets passed on the second and third and etc till someone uses it. Motion was seconded and approved.

Mick McManis donated \$100 to be used by the second person that wishes to go to ALOA for classes. Money will be held and if not used it will be returned.

There being no more business, motion to adjourn, motion carried.

Elmer Howard

PRESIDENTS NOTES

It has been both a pleasure and an honor to serve as your president for the last 4 years. I want to take this opportunity to thank the majority of you for giving me the freedom to get back to the by-laws to operate this association, as well as try some new things. I have appreciated your support. We have had some great learning experiences as well as a lot of fun.

The future of this organization will continue to be bright and grow as the younger members take their rightful places in the leadership of our association. Education is essential for the growth for each of us individually and as an organization. I wish you all successful businesses and a continued strong association.

I am very pleased to give you an instructor for this next class who will address methods and means to help you have successful businesses. This class will be one that will allow you to go home and increase your income. That has been my goal for each of our classes throughout my presidency. I thank you again for allowing me the privilege of serving you.

Your retiring President and wife,

Bernard & Velma Dobesh

IN REMEMBRANCE OF DEBRA MCMANIS

JUNE 25, 1951 - JULY 31, 2005

Debra McManis was the wife of Mick McManis. She had been ill for some time. They were married for 34 years. Together they ran Mick's Lock & Key in Marysville, Kansas for many years. They were both very active in the Nebraska Locksmith Association. Mick was Vice President for NLA 1988-1989, President of NLA 1990 -1991, and Director in 1993. With their devotion to NLA and all that they did for the association, the NLA grew much stronger. They also were responsible for the organizing and in charge of the Marysville Educational Weekend for many years. Our sympathy goes out to Mick from all his friends in the association.

Your editor
Elmer Howard.

Mick McManis

I spoke with Mick tonight and he informed me that he was continuing to share his education by teaching classes, and continue to sell safe deposit boxes & etc. as he has in the past.
