PRESIDENTS NOTES

We want to thank everyone that attended the January meeting in Lincoln, NE. We had a great turnout with a great instructor. We are working hard to keep these kinds of classes coming. I am excited about the future classes and trying to make them so it will be at everyone's level. Anyone that has any suggestions on what they would like to have, please call or email me as that is the only way that you can have what you want. It is quite a project to book these classes as they have to be made anywhere from 3 to 12 months ahead to get them.

The class pricing is determined on how many of the members come. If you do your share and come to the Quarterly meetings that will assure you that the future classes will probably stay the same pricing as the January class was. With the quality of the education you receive in and out of the classroom, no members can afford to miss any of them.

Joyce and I appreciate the opportunity to be able to serve NLA as President and First Lady once again. We plan on doing everything possible to help NLA grow perhaps stronger then it has ever been.

See you all in Kearney,
 Elmer & Joyce
