# ELECTRONICS 101

:EVENT

**Clark Security Products, in conjunction with the Nebraska Locksmith Association, presents Electronics 101.**

Join us for this hands-on class taught by Dawn Mavity, Clark Electronics.

Are you missing out on the growing field of access control? Do you want to grow your business in to an area where mass merchants can't compete?

You will learn basic electricity and circuits, all the components of an access control system, and how to determine the correct electronic locking hardware for each application. You will also wire up a complete access control system.

No additional materials needed.

*Lunch will be provided.*

***Please sign up early – space is limited!***
